Dear Sepehr,

It is a pleasure to inform you that you have been awarded a **\$25,760** merit-based tuition scholarship for the M.S. of Computer & Systems Engineering program at Rensselaer in the academic year of 2025-2026. You will receive **\$12,880** credited to your student account on or before the first day of the semester for each of the two semesters of the program. To maintain this award, you are required to be enrolled full-time* (enrolled in at least 12 credit hours per semester), and you must remain in good academic standing with a minimum GPA of 3.0. This offer is only valid if you enroll full-time in the Fall 2025 semester. The offer of admission is also contingent on Rensselaer's completion of a satisfactory risk assessment for compliance with U.S. laws.

These scholarships are awarded by the Office of Graduate Education, acting on the recommendation of the Dean of the School of Engineering, who selects a group of students who have demonstrated outstanding potential for graduate-level study. We congratulate you on your accomplishments to date and we sincerely hope you will join us to pursue graduate studies here at Rensselaer.

The faculty in the School of Engineering are excited about the prospect of you joining us in the fall and are looking forward to your decision no later than **April 15, 2025**. In accordance with the Council of Graduate Schools (CGS) resolution regarding graduate financial support, you may consider other offers of financial support until the deadline, but any decision after the deadline is an obligation that you are expected to honor. Likewise, we will honor this offer until the April 15, 2025 deadline, after which point it will be rescinded unless you are informed in writing that the deadline for a decision has been extended. You may reference the CGS resolution at <http://cgsnet.org/april-15-resolution>. Although you are under no obligation to accept this offer prior to the deadline date, please let us know as soon as you have made a decision so that we may extend offers to other prospective students if possible. Please indicate your decision to accept or decline this award by checking the appropriate box below. Please sign and return a copy by email to awardlettersgrad@rpi.edu.

This award, if accepted, will supersede any award that you may have previously been offered. If you have any questions about this scholarship, please do not hesitate to contact the School of Engineering.

I look forward to you joining us at Rensselaer!

Sincerely,

Agung Julius
Associate Dean for Research and Graduate Studies
Rensselaer Polytechnic Institute

I have read and understood the terms of this offer and ☐ I Accept ☐ I Decline the above offer.
