Dear Sepehr,

Congratulations on your admission to the Master's program in Computer Science in the College of Engineering and Computer Science at Syracuse University for the Fall 2025 semester! It is a pleasure to recognize your excellent academic achievements.

I am also pleased to inform you that you have been awarded a 30% tuition scholarship through the completion of your program. This merit-based award reflects the University's confidence in your scholarly accomplishments and potential. Congratulations!

To officially accept our offer of admission, please access the [Admitted Student Portal](#), complete the Admission Acceptance Form (AAF) and pay a Non-refundable Enrollment Deposit of \$200.00. This offer of admission is valid until May 15, 2025, after which it may be rescinded unless an extension is granted. If you choose to accept another offer of financial support, please withdraw your acceptance of this offer first.

We are confident that Syracuse University will provide an excellent environment for you to pursue your academic and personal goals. Our institution is recognized for its world-class faculty, cutting-edge research opportunities, and diverse student body. We believe that your unique talents, skills, and perspectives align well with our institutional values and aspirations and will contribute significantly to the vibrant intellectual discourse and collaborative atmosphere that define Syracuse University.

If you have questions or require further information about the program you've been admitted to, I encourage you to reach out directly to the program.

Once again, congratulations on your admission to Syracuse University!

Sincerely,

A handwritten signature in blue ink that reads "Peter A. Venable".

Peter Vanable
Dean of the Graduate School
